SPECIAL BEDDING FOR ALL YOUR JOURNEYS.

Handcrafted **adjustable sheets**  
and **specially designed bed linen**  
for **motorhomes, caravans and yachts.**

# Fitted sheets

that adjust to different sizes and shapes of beds in **motorhomes**, **caravans** and **yachts**

## Why special sheets?

Most motorhomes, caravans and yachts have beds that, because of their **different sizes** or **unusual shapes**, prevent us from using sheets that otherwise nicely fit normal beds.

My Dream Journey fitted sheets are **designed to stay on your beds and adjust to a variety of different sizes and shapes**, staying firmly in place throughout the night. **Two stoppers** and an **elastic** allow the sheet to **grip firmly to the mattress**. Since the elastic is the same size as the circumference of the sheet, the sheets can be easily stretched, ironed and folded.

If available adjustable fitted sheets do not meet your expectations and needs, **My Dream Journey** also provides **custom-made sheets** according to your bed dimensions and shapes.

You can order your sheets on [mydreamjourney.eu](https://mydreamjourney.eu)

Make the interior of your motorhome, caravan or yacht a more special place and combine sheets with My Dream Journey **handcrafted bed linen.**

## 8 DIMENSIONS FITTED SHEETS

These 8 dimensions of sheets cover bed sizes in most motorhomes, caravans and yachts. Because they have an adjustable elastic, they are also suitable for beds with curves and other irregular shapes.

## 3 DIFFERENT PREMIUM MATERIALS & COLOURS

Sheets are available in cotton, percale or satin. All of them are excellent Italian cottons.

## 2 DIMENSIONS FLAT SHEETS

My Dream Journey bedding collection also offers 2 dimensions of flat sheets, which can be used for smaller bed units or folding beds. They are also usable as bedspreads or seats covers.

When creating **My Dream Journey** bedding, we followed three important principles

- | usability and functionality
- | design and craftsmanship
- | quality of the fabrics

## 4 DIFFERENT MATERIALS & COLOURS

My Dream Journey pillow cases and duvet covers are available in 4 different colours and 4 different materials with specially designed and screen-printed patterns.

## What makes My Dream Journey bedding so special?

My Dream Journey bedding is made out of the finest and environmentally friendly textiles and materials (cotton, percale, satin and linen), all produced in Europe. The bedding is designed, screen-printed and handcrafted especially for the My Dream Journey collection.

With colours of fabrics and design of bedding, we created sheets and bed linen that smoothly merges with the interior of motorhomes, caravans or yachts, and also evokes a feeling of traveling, dreaming and exploring nature.
